☐ Continuation Sheet Attached

Brief Description of Argument to be Presented:

Creswell is directed to specialized processing based on a source of communication (such as phone calls). The source identification does not suggest a database that associates users with two or more devices for synchronization purposes.

Creswell also does not suggest multiple devices - rather Col. 3, line 50 of Creswell discusses unit ID numbers.

An interview was conducted on the above-identified application on _____.

NOTE: This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
